Dear Sir:

In response to the Notice of Non-Compliant Amendment mailed on September 28, 2004, attached hereto please find the properly marked corrected drawing sheet containing Figures 16A and 16B.

Please note that we have included an Annotated Sheet which indicates the change made to the aforementioned drawings sheet. We have also included the other drawings sheets to form a complete set, but please be aware that there have been no changes made to those sheets.

In our Preliminary Amendment of June 1, 2004, we may have inadvertently submitted the wrong replacement sheet for Figures 16A and 16B. Please accept the replacement sheet enclosed herewith as the correct replacement sheet for those figures.
